Program Overview

- Can anyone present answer these questions:
  - What does the acronym GCSS-MC stand for?
  - What does the acronym GCSS-MC LCM Block 1 stand for?
  - What is the difference between GCSS-MC and GCSS-MC LCM Block 1?

Terms of Reference

GCSS-MC

A portfolio of systems that support logistics elements of command and control, joint logistics interoperability, and secure access to and visibility of logistics data.

Way of the future.

GCSS-MC Logistics Chain Management (LCM)

A program within GCSS-MC that is the implementation of the entire logistics operational architecture. It is comprised of Blocks 1, 2, and 3.

End game.

GCSS-MC LCM Block 1

This is the first increment of GCSS-MC/LCM. It provides initial capabilities for GCSS-MC/LCM. It is a separate acquisition program with its own milestone events.

Near-term objective.

MAGTF Impact

MAGTF Impact Today…

- What impact will GCSS-MC have on me in the next few years (2007, 2008, and 2009)?
- How does this effect me as a logistician and a warfighter right now?

MAGTF Impact Today…

- No impact on you today and in 2007
- Nothing happening with the program that will be fielded or provided to you this calendar year or next that will change the way you support the MAGTF.
- However, …

MAGTF Impact Today…

- Ask not what the program will do for you, but rather what you can do for the program…
